

## **i.d.e.a. Fund (Inclusion, Diversity, Environment, Acceleration)**

The i.d.e.a. Fund will contribute to an inclusive, green recovery by accepting high potential businesses that have growth potential and a commitment to developing new green products, services, processes, and technologies and/or redesigning existing products, services, processes and technologies to reduce their impact on the environment.

This program will provide specialized industry expertise to develop growth plans and related strategies in the areas such as talent attraction, raising follow-on investment, product development and quantification of product benefits/market value propositions, commercialization of intellectual property, and market diversification. Each RIC will distribute up to a maximum of \$30,000 in matching seed funding to select innovative businesses in various sectors.

The i.d.e.a. Fund will be delivered in partnership with the following Ontario Regional Innovation Centres (RICs): Innovation Guelph, Haltech, Innovate Niagara, WEtech Alliance, Innovation Factory and TechAlliance of Southwestern Ontario, to support a more sustainable economy while fostering an inclusive and equitable recovery in Southern Ontario

### **Program Overview**

In the first cohort<sup>1</sup> i.d.e.a. Fund will support the scaling activities of 120 businesses through:

- Seed funding of up to \$30,000 per company with matching funds<sup>2</sup>
- Up to 40 hours of targeted support and expertise from business leaders (up to \$6,000 value)

### **Program Dates**

Program Launch	April 1, 2022
Applications Open - First Cohort	May 10, 2022
Program Information Sessions	May 10, 18, 26, 2022
Applications Close	June 7, 2022
Successful Applicants Announced	June 24, 2022
Program Runs	June 30, 2022 - February 28, 2023
Celebration Event	March 17, 2023
Program Completion	March 31, 2023

1. Additional Cohorts to be announced. Please check the website for updates.  
2. Funds matched at 25% for underrepresented groups. All others match 1:1.

## **Application Process:**

### **Step 1: Call for Application**

An open call of applications will be posted on RIC partner websites with a link through to the i.d.e.a. Fund Website.

Program information sessions will be available to review the program and the application process.

### **Step 2: Completing your application**

Applicants are responsible for completing and submitting the online application through our Intake Portal. The application form will request information about:

- How your business meets the program's eligibility criteria
- General information about your business
- Business growth and scaling goals
- How your business will meet the goals of a green and sustainable recovery
- How you would use the funds provided through this program
- How you will match the funds provided

Applicants will be responsible for submitting the following information:

- Business Model Canvas
- Budget (high level)
- Short video and/or pitch deck (optional)

### **Step 3: Evaluation by selection committee**

Applications will be directed to partnering RICs by region and/or existing affiliations. Applications will be evaluated based on the following eligibility and selection criteria. Selected applicants will then be informed of their acceptance and will be onboarded into the program.

#### **Eligibility Criteria**

- One or two team members of the business' leadership team is available to participate in the program between June 30, 2022 – February 28, 2023
- The applicant must be early-stage business or Small to Medium Enterprises (1-499 employees) and the business must be headquartered in Southern Ontario (regions are outlined in Appendix A)
- Business must be incorporated (Ontario or federal)
- Business owner/founder must be working in the business full-time
- Business must have a scalable product or service

#### **Selection Criteria**

- The applicant must complete the application in full
- The application provides enough information to address the applicable evaluation criteria
- The intended use of funds is clear and consistent with a realistic strategy to achieve the business' scaling goals
  - Stacking of public funding (federal, provincial or municipal) is not permitted and will not be considered matching funds. For example, you may not use federal or provincial grant funds as matching funds.
- The applicant must be able to provide matching funds up to a maximum of \$30,000 to receive seed funding.
  - SMEs from under-represented groups would be required to provide a 25% match whereas all other recipients would have to provide at 1:1 match
- The application falls under the eligible project types (Appendix B)
- The applicant has acknowledged that the funds will not be used for ineligible costs as outlined below.
- There is a benefit (directly or indirectly) to a green recovery
- There is an economic impact (job creation, revenue generation, add-on investment) to Ontario
- The business opportunity has potential to address Canadian or international markets
- The applicant has read and agreed to a Client Services Agreement

## Ineligible Costs

- Costs of land, building or vehicle purchase;
- Costs of intangible assets such as goodwill, whether capitalized or expensed;
- Depreciation or amortization expenses;
- Interest on invested capital, bonds, or debentures;
- Bond discount;
- Monthly mortgage and loan payments;
- Refinancing of an existing debt;
- Losses on investments, bad debts and any other debts;
- Fines or penalties;
- Costs related to litigation;
- Opportunity costs;
- Hospitality and entertainment costs;
- Franchise fees and franchise license costs;
- Lobbyist fees; and

## Step 4: Award Recipient Agreement Process

Applicants will be notified as funding decisions are reached. Successful applicants (“recipients”) must:

- Enter into a Contribution Agreement with their designated RIC and governs the distribution of funds
- Register as a client of the designated RIC
- Engage with the RIC team who will be assigned an expert based on the specific needs and support in the management of the project(s). Other experts may be engaged through the project as well. **Note: There is a minimum requirement of 20 hours to work with this targeted expertise.**

The funding will be distributed as outlined below:

- **50% of activity seed financing released** once an initial diagnostic and work plan has been completed by the recipient and their assigned lead expert, including goals and milestones
- **25% of activity seed financing released** upon recommendation of the lead project expert and completion of their interim report.
- **25% of the activity seed financing released** upon completion of the project and the approval of the final reporting requirements.

*Additional requirements:*

As a condition of receiving funds and support, recipients agree to:

- Participate in any reports/surveys as required by their designated RIC
- Submit expenditure, interim reports and a final project report as required – templates will be provided
- Complete reports/surveys at the end of the program period and up to 6 years after the completion of the program to report on the impact of the funds and support received throughout the program
- Participate in program-related communications including allowing the use of their name, photograph, facilities, and video content (as applicable)
- Acknowledge the i.d.e.a. Fund, and the partner RICs in any public announcements or other communications about the fund

Details of these requirements will be outlined in the Contribution Agreement and Statement of Work.

## Appendix A
